WHAT TO DO IN MYRTLE BEACH

BY JJ SMITH & SARAH JOHNSON

Synopsis

"WHAT TO DO IN MYRTLE BEACH" by JJ Smith & Susan Johnson Youâ€™ll SAVE MORE MONEY with a single coupon from those available in this book than the nominal price listed to introduce this book to the public. This is a real time and money saver! Perfect for or owners of Kindle readers or SMART PHONES or TABLETS with the Kindle app. Yep! Thereâ€™s an app for that! How valuable is your time? Do you want to haul around dozens of coupons and pamphlets weighing 5 lbs or more while planning your Myrtle Beach itinerary at the very last minute? I will go ahead and answer this oneâ€¦ NO! This is NOT the way to spend your precious vacation time! You MUST plan ahead! When writing this first in a series of "Places To Go, Things To Do and Places To Stay In Myrtle Beach", we were amazed at the difficulty of gathering the list of "things to do". It quickly became apparent each website, book or booklet had their own agendas for the venues they listed. As with any Chamber of Commerce, they only list their members. With individual websites, they only promote themselves. Even the best websites which we include in this book did not list some of the key locations many have come to enjoy when visiting Myrtle Beach. It was actually quite exciting for both of us to know we were writing a book of information which was decades overdue! This book puts everything in a neat little pack which is especially useful. Includes website links, physical addresses with Google maps, phone numbers and real visitor reviews of the top Myrtle Beach attractions.. Russ Johnson, a local resident. â€œ Heck, the direct link to Google Maps for each listing is worth every penny to get you there faster by knowing where you are going without having to type it in. I actually found some places I didnâ€™t know aboutâ€•

Section 1 â€• What is the difference in Myrtle Beach and North Myrtle Beach?

Section 2 â€• Entertainment & Theatre

Section 3 - Miniature Golf, Golf Courses & Group Packages

Customer Reviews

Neither a bad book nor a great book. This guide is adequate in terms of most of the attractions in and around Myrtle Beach, and is more than adequate for the accommodations at that locale. It is much less adequate as far as eating in the area goes. Most of the so-called "Calabash"-style seafood restaurants in Myrtle Beach are awful--overpriced with terrible food--and the visitor should

be warned that that's the case. The author grew up in the area, and apparently still has vivid memories of when the "Grand Strand" was grand. So do I, and it once was. An absolutely beautiful and great family beach with lots of fun things to do. But that was at least 40 years ago. Myrtle Beach is now just the Las Vegas of the East, and wishing otherwise won't change the facts. Who wants to walk or sun on a beach that is shaded in the afternoons by monstrous buildings built way too close to the shoreline? The positive (if there is one) is that, as in Vegas, there are tens of thousands of rooms, so you can acquire good deals to put you up while you're there; but like Vegas, there really aren't many redeeming qualities for the area other than relatively cheap lodging. This book tries to ignore the unfortunate changes that have occurred in the area, so the author, in my view, paints a false picture and unreasonable expectations for the visitor. There are simply much nicer beaches, and surrounding locales, to visit in both of the Carolinas.
