Customer Reviews

Great books! I can honestly say this series was one of my favorites, and I do read a lot! It had everything I like in books from romance to danger. I highly recommend reading these books. I am hoping there will be more books to continue because I really like the characters and want to see more of them.

This has to be my favorite series as it has everything in it. Romance, adventure, excitement, sadness and I loved the ending. If this is what you're looking for, pick it up you won't be sorry!

Strong and likable characters. The storyline had lots of twists but was easy to read and enjoyable. Love to read more books by Lara Ann.
