Customer Reviews

There's plenty of action in this book nine. Nath is supposed to be dead but surprising events have occurred. There's still plenty of surprises throughout the book. I believe that the way the author is getting his books to readers, has worked out quite well. We don't have to wait so long in between reads. Sasha, Rerry and Samas are still grieving for Bazog but they keep moving on because they must try to rid the evil that wants to rule the world they live in. There's a story about the Elder Wand that's pretty interesting too. The one thing that never changes.....Brenwar, he's ALWAYS ready to fight against the evil in the world.

I love how this series flows from one book to the next. I also have enjoyed the characters and story lines of each one. Excellent job goes out to Craig Halloran on this series. You need to start a third series,,, come on, you know you have a new 20 book series in your mind for Nath and everyone.

What can be more exciting than the end of the world, giants, dragons, elves, dwarves & wurmers...?! Great story. Dragon home has just fallen & it is now a race to not only save the world but also his father, the dragon king who is caught in limbo.

Everything is wrapping up nicely, but please dont let Brenwar die! That would be too sad. Good storytelling. I am still enthralled.

I have read the whole series waiting for the last book on pins and needles Thank you Melody k Fisher

Can't wait for the next one! I hope the series continues!

Good book. To short!

Good series
