Synopsis

The FJH Music Company is proud to present New Directions for Strings, the first string orchestra method book written by a team of pedagogues representing each of the four stringed instruments. With more than 100 years of combined teaching experience, the authors of New Directions for Strings explore many new directions, including equal integration of all the instruments, a tetrachord-based approach to support proper development of the left hand, and ensemble opportunities that occur throughout the book. Supplemental music by Soon Hee Newbold and Elliot Del Borgo. Includes 2 Play-Along CDs.

Customer Reviews

the book is a continuation of playing cello course. The first book i liked very much, this one i didn't start yet but looks similar (only more difficult, but this is what you expect the more advanced you get;).What surprised me, was the delivery within 2 weeks (from US to Europe), though in the process of ordering I've received multiple warnings that the delivery takes 18 to 32 day (I am not sure if they didn't even mention "business days")

My string ensemble is using it in practice, and my cello quartet is now using it with the CDs. We have some new players, so I pull the CD music into SmartMusic, and then I can slow it down while we're learning it.

I love these books. They are very comprehensive for individuals who are starting out.
