Synopsis

It is said, "When the camp bug bites you're hooked for life" Nancy and her husband Tom caught that bug during their youth and jumped at the opportunity to own and direct a summer camp in southern Maine when they retired. Retired again, they enjoy life at their cottage off Cape Cod, where Nancy, always a story teller, writes about a new camper's experiences at a camp called, Hideaway somewhere in northern Maine. It's a must read for new campers and their parents. And fun for seasoned campers to remember their own first summer. The Armstrong's still serve as Visitors for the American Camping Association, Accreditation, each summer.
