Dr. Warren W. Wiersbe is an internationally known Bible teacher and the former pastor of three churches, including the Moody Church in Chicago. For ten years he served as general director and Bible teacher for the Back to the Bible radio broadcast. Dr. Wiersbe has written more than 150 books, including the popular "Be" series of expositional Bible studies, which has sold more than four million copies. In 2002, he was awarded the Jordon Lifetime Achievement Award by the Evangelical Christian Publishers Association. He and his wife, Betty, live in Lincoln, Nebraska.

Bought the Old Testament Volume early last year and have been slowly going through it. Now I am spotreading sections of the New Testament commentary as the need for research or background unfolds. This is my favorite pastoral commentator. The author provides plenty of background for context in easy to understand language. In addition, he provides clear interpretation of each passage along with common sense and practical application. Great for research, bible study, and preparing bible lessons. I recommend both volumes. T. Lee

I have used this commentary on a few occasions and it provided another enlightened view of the scriptures were saying. Thank you for writing and publishing this wonderful commentary.

The absolutely very best commentary I have ever used. Would highly recommend for personal and group study.

Warren Wiersbe has a way of diving deep into scripture, making deep truths accessible and pastoring you all at the same time. This is a great commentary that gives it all: solid biblical observation, interpretation and application. I use his commentaries almost every time I preach. This volume in particular is great because you have the NT all in one place and you save money.

I've been impressed with Warren Wiersbe's Be series. They're scholarly enough to be informative but written in a style that is easy to understand. Now his commentaries have been assembled into one book. I'm leading Bible studies through the New Testament, and this has been a great help.

This commentary has changed my life and opened a whole new view of the Bible. It helps you understand the various author's points and gives you a history to back it all up with! The information in this book has blessed me beyond words! I highly recommend it to anyone wanting to study the Bible and gain a better understanding of its purpose. I love it!!! My Bible has a new companion!!

I study the Bible every morning and this book is a good resource to study the Bible. His writing is not only deep and but also easy to read. Wiersbe and M.R. De Haan are my favorite christian authors. I would highly recommend this book to you.

Absolutely the best Study Bible I have read
