Geronimo Stilton Special Edition: The Hunt For The Golden Book

Synopsis

Geronimo is on the hunt in this special edition adventure! Grandfather William was throwing me, Geronimo Stilton, a party -- it had been 10 years since I published my first book! He wanted me to write a new book especially for the occasion. Then my laptop was stolen right from under my snout. Cheese niblets, how terrible! Could my friends and I find my computer and print my book all in time for the party? BONUS! After the story, read an extra Mini Mystery adventure: THE LAKE MONSTER. When a mysterious monster is sighted in a lake on Mouse Island, Geronimo is called in to investigate! But can he figure out this creature's secret? PLUS jokes galore!

Customer Reviews

I found the main story to be only so-so; the "mini-mystery" about the lake monster was better.

Overall I find I prefer the Geronimo Stilton books where he travels and you actually learn something about other countries. My 7-year-old liked it but didn't immediately insist we read it again as he has with some of the others in this series.

What my son liked about this book: There were two mysteries, there was a little action, and a stolen

laptop. Jokes at the back and clues to solve. Recommended for other kids, ages 3 to dead.

Would buy from this seller again, item received as promised!

My kid love Geronimo Stilton Books

My 14 year old daughter still loves this series! She's read every single one of them. She also enjoys the Thea Stilton books.

This book is amazing!! so adventurous and fun!

I ordered this book for my students. They really enjoyed it. They are requesting me to order more.

Granddaughter reads anything she can get her hands on. She loves this
