My 14 month old is a pretty harsh critic of board books but this one was a hit. It's filled with large cute illustrations of animal faces along with the sounds they make. I'm happy that this is a part of

her collection.

We actually borrowed this from the library and my 2 1/2 yr son LOVES it. The faces are large and he identified every animal immediately and enjoyed making the sounds with them. Simple and short bedtime book which is perfect for us!
