The Teaching Of Jesus Arranged By Topic

Synopsis

Wouldn't it be nice to find what Jesus said on everyday topics like money, pride, sex and relationships? This book organizes all of Jesus' teaching into easy to access categories. Here you'll find his words are reprinted in their entirety without edits or commentary – just the words of the Savior ready to impact your life. We have reprinted all of Jesus' teaching as they appear in Matthew, Mark, Luke and John. (Because many of the Gospel repeat Jesus' teaching with slight nuances, you may end up reading certain teachings more than once.) It's our hope that this book will help you access the wisdom of Jesus, apply them to your life, and take the next steps in growing your faith.

Customer Reviews

One must give credit where due and this work deserves a lot of credit...with a couple of caveats...It is wonderful to be able to page through and research what Jesus said on the given topics...however that also is a deficit because the topics chosen are those of the author and not necessarily those of

Jesus...for example there is no coverage of the plan of salvation or the declarations of Jesus as Messiah/Christ...but it all must be the will of God as there can be no other...not the manmade god of holy books but the prime mover in the universe...generator, operator, destroyer...GOD...it does whatever it wants with whomever it wants and we all must take what it gives and give what it takes...ergo Theofatalism...google for details to feel good inside no matter what happens outside...Theofatalism: Theology for Agnostics and Atheists

CHURCH BOOK

So interesting. Well researched and laid out. A book you can dip in and out of, not one for reading right through, a reference book.

This is a great product. It surpassed my expectations. It is the premeir product of it's class. I would buy it over and over!!!!

this book is great. i like the way the author does not try to put his own opinion into the topics. this is just straight out of scripture
