Customer Reviews

“A useful guide to Arctic Scandinavia.Ã¢â ¬Â• Telegraph.co.uk Ã Â --This text refers to an out of print or unavailable edition of this title.

James Proctor has travelled widely across the entire Nordic region and has lived in several of the Nordic Countries, most notably in Sweden where he worked as the BBC's Scandinavia Correspondent during the mid-90s. He speaks fluent Swedish and consequently is conversant in Norwegian and Danish. James now divides his time as a freelance writer between his native Yorkshire, the south of France and his log cabin in the Swedish forest. He has written a total of six guidebooks and contributed to many more.

Great book! I'm so glad they have a book just on Lapland. It was one of the only ones I have found on the area and it's very helpful

Of the three books we bought for our trip to Northern Sweden and Norway in January to see the Aurora Borealis, this was the best. The others were more general and had very little information on this zone.

It is a very comprehensive and detailed book. We will be very useful on our trip. We are happy with the guide.

I was excited to get this book a couple months before my vacation to Finnish Lapland. However I'm a bit underwhelmed. First I noticed a small mistake: they list the airport code to KittilÃƒÂ¤ as KTL, but it's actually KTT. That's not a big deal. But then was disappointed to find that they don't even mention the area I'm going to visit. YllÃƒÂ¤s is the largest ski area in Finland in terms of number of ski runs/slopes and lifts. There is no mention of it at all is this book. It's in between 2 villages: YllÃƒÂ¤sjÃƒÂ¤rvi and Ãƒâ kÃƒÂ¤slompolo, both of which have local tour guides offering husky, reindeer and snowmobile safaris. No mention of these towns or tour operators either. They do mention Levi, which has the largest ski village and more amenities than YllÃƒÂ¤s. There's probably a lot of good info in this book, but if you're going to Finnish Lapland, I think you'd be better off buying the Lonely Planet Finland guide.
