## Synopsis

“If you happen to be young and transgender, then you’re used to people being hateful toward you when all you want to do is exist. Through all the insanity in my life, there was only one thing I could control: myself. On the outside, obviously, but on the inside, too. I focused on not letting other people’s opinions have any effect on me whatsoever, and that’s how I’ve lived my life ever since.” • Amanda Lepore Spend an evening getting intimate with Amanda Lepore, the internationally renowned walking work of art and New York City’s reigning queen of nightlife for three decades. Paving the way for today’s “trans revolution,” Amanda is one of the world’s most famous transsexuals. In this poignant and revealing memoir, Amanda takes off the makeup, peels back the silicone, and reveals to the world the woman she truly is, all with a sense of divine certainty, humor, and charm. “I hate everyone but Amanda.” Lepore. • Miley Cyrus “Amanda is pure heaven on earth, a dream come true. I adore her!” • Francois Nars “Amanda is truly a living work of art. I’ve never witnessed such devotion to the art of high glamour. In my book, she is a glambassador of the very highest order, a true fascinatrix!” • Dita Von Teese “As an icon, Amanda is one of a kind because of her unique and singular look in the art of fashion. She has established herself as the most original and glamorous image in the world of transgender.” • Patricia Field “Amanda Lepore is a self-creation that governs her own splendid reality.” • Steven Klein, photographer

Her constantly changing face has been used to promote Heatherette, M.A.C., Swatch, Smart Car, Perrier, Pop Water, and Sergio K, among many others. Lepore has worked with some of the most renowned photographers and creatives in the world, including Terry Richardson and Pierre et Gilles.

Wonderful woman, wonderful book. Thank you Ms. Lepore for sharing your world with us. Only downside was the book arrived damaged and I bought it new.

Great book! No holds barred, one of the most vulnerable books I have read on a while.
