Sunny's book is a wonderful step by step process on creating a beautiful ceremony for the couple. There are a lot of different options and ceremonies that the couple can choose from to make their ceremony personal for them. This is a very clear and detailed guide not only for officiants that are new to performing ceremonies but also for officiants that may be looking for some non-traditional ceremonies to offer as well as the traditional ceremonies. I feel that this book is a brilliant guide to

help the couple and the officiant plan a wedding together with grace and ease. --anonymousWas lucky to get a copy of this just as I started planning our own wedding. This book made planning the ceremony and vows so simple yet very meaningful. There are many wonderful options and suggestions and it is an easy and organized format where you can pick and choose various suggested verses and phrases which are all beautifully and simply stated. The groom even read the entire thing and we agreed on what spoke personally to us. If you are a bride or groom GET THIS book! It will really simplify the most important part of your day and remain meaningful to you and your guests for years to come! --Dawn ScottiThe book is clear and easy to follow. It is loaded with suggestions and tips and contains samples of ceremonies. Best book I have in my library so far! --carri

Sunny Dawn Johnston is an internationally renowned psychic medium, minister, author and motivational speaker. Sunny was born in Cheyenne, Wyoming, spent the majority of her childhood growing up in Salt Lake City, Utah (living in a metaphysical household), and now resides in Glendale, Arizona with her family. Since early childhood, Sunny has always known she was different and destined to do great things. As a teenager she possessed an innate wisdom and profound awareness of the angelic realm and Spirit world. While she fought those gifts for many years, Spirit ultimately won! After being a stay-at-home mom for ten years, Sunny began working full-time as a psychic medium in 2000. Over the last fifteen years, Sunny has performed hundreds of readings for clients where she's communicated with angels, guides, and their loved ones who have crossed over to the other side. The constant theme she receives from all of these divine entities and loved ones is this: Love never ends! In December 2003, Sunny founded Sunlight Alliance LLC, a spiritual teaching and healing center in Glendale, Arizona. Following her intuitive guidance, Sunny created a place where people could learn how to find and follow their personal spiritual path, recognize and own their natural intuitive gifts, and cultivate a spiritual connection with loved ones who have passed on. Sunny teaches her students that even in moments of adversity, we are not alone; our angels, guides, and loved ones who have crossed over are here to help us. Sunny's message of "love never ends" has drawn thousands of people from all over the world to her workshops, events and private mediumship sessions. Sunny is also a best-selling author of *Invoking the Archangels - A Nine Step Process to Heal Your Body, Mind and Soul* as well as *No Mistakes, Living Your Purpose, Find Me* and her soon to be released book *The Love Never Ends - Messages From The Other Side*. Excellent pointers and ideas. Great examples of various services. Highly recommend if you will be officiating weddings.

This is a wonderful book to help anyone that is planning a wedding!

Very good information, helpful in creating a business providing wedding services.

Excellent information! A fantastic resource for the new wedding officiant. I'm booked for 10 weddings so far, and this book helped me very much in preparing for the meetings with my couples, and also preparing their ceremonies.

Fantastic book! I feel confident after reading this book to perform weddings. Perfect guidance and so many examples to choose from to perform ceremonies. Exactly what I needed!!!

The step-by-step instructions are quite helpful. I give an A+ for the way the book was formatted. On the other hand, I feel the book fell short on delivering what the title suggested. I was drawn to the book because I was considering going into the wedding officiant business, so I was expecting more information about how to run a wedding officiant business. The book was filled with helpful information about conducting weddings, but I wanted to read more about the business side of being a wedding officiant. I wholeheartedly give this book a thumbs up for people who are planning a wedding. The information will help guide them toward determining what type of wedding to have and how to conduct that type of wedding.

Sunny provides a good guide to ceremonies and shares several ceremonies in their entirety. She also covers hand fasting and other unity ceremonies.

So helpful!
