Cathy A. Malchiodi is a licensed art therapist and clinical counselor. She is the editor of Art Therapy: Journal of the American Art Therapy Association and the author of Breaking the Silence: Art Therapy with Children from Violent Homes.

I was really hoping this would be more of a book with activities. Its very informative but its not what I was looking for.

Great book. Tips and advice also included as well as priceless information and methodologies in art therapy.

This book works for my art therapy class

I was expecting more activities from this book. It has some good basic info, but not a whole lot of activities.

I am a certified life coach, certified Christian Counselor, and a Pastor. This book is a great tool to have, what a great resource.

Excellent price and great resource book for art therapy techniques.

Has so much and in a very comprehensive and readable format. A basic/classic.

Great Book!! Very practical guide.
