The God Thief: The Master Thief, Book 3

Synopsis

Now infamous for his exploits, Jack Myst is a master thief. As a member of the Thieves Guild, he has fought assassins, reavers, and even a devil - but now he faces his greatest challenge yet, the rank of guildmaster. Ascending to the office after defeating Skorn at Margauth, he launches a daring plan, one to steal what cannot be stolen. A god. But Skorn has retrieved the fragments of an ancient artifact, and has begun construction on the Necrolith, the beacon of ending. He issues a king's bounty on Jack's head, turning governments and guilds against him. Hounded by soldiers and hunted by assassins, it will require all of Jack's skill to triumph over Skorn. He couldn't be more excited.

Customer Reviews

Another excellent book in the series. Everything in life is a challenge to Jack, and he seems he has to find the best way to have fun whilst doing it, and getting the girls to like him as well. Nice little surprise at the end, and would like to see how Jack met his future beloved. Enjoyed it a lot.

I've read all three volumes and all of them the best page turns I have ever come across! Had me on edge throughout the series. I have already started his other books but I can safely say this will be my favourite (the entire series included) simply because of the main character Jack Myst and his brilliance display of rolling the dice and coming out on top each time. If you weren't a fan of a magical world before you definitely will be after reading these books!

The climax of the master thief trilogy. Another well written installment of this wonderful world.

I started reading Bens rock troll trilogy which has led to his other works. I felt like things were slowing down and then he just blew my mind with this last book...the God Thief. Looking forward to where we go from here. Great ride!

I loved the story and all the characters. I've read all the stories by the author so I know that there's more for Jack Myst. But his background and trials have been a great joy to read and I look forward for more from the author.

A masterful ending to an enjoyable trilogy. Ben's writing had only gotten better since he started the Luminea series and it shines with this one.

I like Jack Myst

I enjoy Jack. Maybe add much add Jack enjoys himself. (Which is a lot) What a clever thief. Right when you thought you figured everything out the ending throws you for a loop. I thought it was great that Ero was giving all the church of lights money away to the worshippers. Lol! This is a mystery read with great adventure.
