American Constitutionalism: Powers, Rights, And Liberties

Synopsis

Constitutionalism in the United States is not determined solely by decisions made by the Supreme Court. Moving beyond traditional casebooks, renowned scholars Howard Gillman, Mark A. Graber, and Keith E. Whittington take a refreshingly innovative approach in *American Constitutionalism* by presenting the material in a historical organization instead of the typical issues-based one. A single-volume edition of the authors' acclaimed two-volume text, this book is ideal for courses that cover the structures of government and civil rights and liberties in one semester or for two-semester courses that are organized historically. FEATURES* Covers all important debates in U.S. constitutionalism, organized by historical era* Incorporates readings from all of the prominent participants in those debates* Clearly lays out the political and legal contexts in chapter introductions* Integrates more documents and cases than other texts, including decisions made by elected officials and state courts* Offers numerous pedagogical features, including topical sections within each historical chapter, bulleted lists of major developments, explanatory headnotes for the readings, questions on court cases, illustrations and political cartoons, tables, and suggested readings

Book Information

Paperback: 1088 pages

Publisher: Oxford University Press; 1 edition (August 18, 2014)

Language: English

ISBN-10: 0199343381

ISBN-13: 978-0199343386

Product Dimensions: 10 x 1.1 x 8 inches

Shipping Weight: 4 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Customer Reviews

"American Constitutionalism marks a new age in the teaching of constitutional law. After using this text, I can't imagine teaching constitutional law any other way."--Julie Novkov, University at Albany, State University of New York
"This is a major achievement--a gold-standard teaching tool doubling as a penetrating account of the development of constitutional rights and liberties in America."--Ken I.

Kersch, Boston College"An important and refreshing challenge to the traditional case method of teaching constitutional law." --Jason Pierceson, University of Illinois Springfield

Howard Gillman is Provost and Executive Vice Chancellor at the University of California, Irvine. Mark A. Graber is Professor of Law at the University of Maryland Francis King Carey School of Law. Keith E. Whittington is William Nelson Cromwell Professor of Politics and Director of Graduate Studies in Politics at Princeton University.

Great! It was in excellent condition and everything was great
