Customer Reviews

I really enjoy this book well written and easy to understand. This book just reminds me of how my mother used to cook when I was younger. I still love to cook from scratch and feel it is so much healthier than some foods today.

I'm really liking what I'm seeing here. Real old fashioned And Authentic! I also recommend Carson Wyatt's book on making cheese, butter, and yogurt to complement what you make here. Some cheddar cheese on apple pie is amazing and fresh butter is good too for these recipes.

The recipes are the ones I grew up with in Pennsylvania. So reminded me of true home cooking. The Apple cinnamon cake is missing the amount of flour needed to make this. If possible, I would like to have that ingredient to make this cake. Thank you
