Fighting Blind

Synopsis

• You never truly value something until you've lost it. • Kei Valancia is a feisty young werewolf and a master fighter. She has traveled to places and has trained weak packs to fight rogue attacks. Now, she's in the Red Moon Pack to help them prepare for the war looming on their borders. A girl and a newcomer, her arrival is met with raised eyebrows. Yet, Kei has some secrets that nobody knows. Ryker Dare, the Alpha King, has lived for years, has seen many wars and has spilled blood with his own hands. Yet, out of all those, he is still yet to meet his mate. Upon knowing the attacks on his neighboring packs, he takes the opportunity to help them ward off enemies. Lo and behold, he meets Kei Valancia. Both of them will be in a lot of surprises, as the two of them get closer. Kei will meet the person that will challenge her every move, and Ryker will learn a new word: No! But both of them know that they are both stuck together through thick and thin. And with a fight just around the corner, they have nothing but to trust each other and open up their harbored feelings. Who is Kei Valancia, a girl from out of nowhere? What happens when Ryker meets Kei? And how will the secret affect the blooming relationship between them? Are you ready for a story that is one revelation after another? This E. Marie's story is a recommended read. Grab this werewolf story about a fighter and winning over circumstances.

Customer Reviews

I read constantly and love finding new authors. This book is inspiring, and the next looks to be even better. You will love it.

I was in the middle of reading your book when you pulled it to publish it. I was sad, but happy you put it on so quickly. I love how you portrayed Kei as such a strong main character and how she uses her blindness to her benefit. I especially enjoyed how you told us, at the beginning of each chapter, the colors of the emotions. I am looking forward to finishing it and reading more of your books.

After searching through a few titles I finally decide on this little gem of a book. I read the first page and I was instantly hooked. The main character is a fierce young lady named Kei. She has so much spunk that there is no way to resist her charm. However, she does have a dark past but even with all darkness she manages to have a good outlook on life (made me love her more). Then we meet Ryker who is an over protective Alpha but has a heart of gold. We meet other characters throughout the story that made it come together perfectly. I was so glad to stumble on this book as it made me experience exactly what the characters were feeling and they lingered in mind even after I finished the book. This is what a good book is to me and I can't wait for book 2.

This was so good!!!! I started reading this book on my phone and I couldn't put it down. I LOVE the way that Kei can take care of herself and also help other people, even when they don't want her. This book is one of my favorites, although it's not been long since I first read it. I love the plot line and can't wait for the next one!

I loved this book so much when I read it on Wattpad and I am so happy to get it in my mail and read the edited version!!! This book is so good and has an amazing female protagonist!!! I strongly recommend you read this!!

Fighting blind is a really amazing book to read. Im so excited that I finally brought. The book is well written. I just loved the book just started reading its amazing!!! Great work.

Yeah, ok. Not enough to buy any more in the series

The concept is very original. It started out on wattpad and has been a tremendous success. It has a great blend of romance and action.
