International Economics

Synopsis

Now in its 15th edition, this proven, market-leading book remains a favorite among readers of all backgrounds for its clear, concise treatment of international trade and finance theory. Using a wealth of contemporary examples and practical applications, INTERNATIONAL ECONOMICS vividly demonstrates the relevance of theory to real-world economic issues and policy questions. Discussions are presented both verbally and graphically, making the book highly accessible even if you have little economics background. As you will soon discover, "If it's clear, concise, and contemporary, it has to be Carbaugh!"

Customer Reviews

Known for his excellence in teaching, Dr. Robert J. Carbaugh is Professor of Economics at Central Washington University. He has been honored with numerous top teaching awards, including the 1984 Excellence in Teaching award at the University of Wisconsin, Eau Claire, and the Distinguished Professor of the University--Teaching award at Central Washington University in 1993. In 1996, Dr. Carbaugh was named Scholar of the Year by the Phi Kappa Phi Honorary Society at Central Washington University. In 2001, he received the Distinguished Professor of the University award for Research at Central Washington University. In 2004, Dr. Carbaugh was invited by the Directors of the Oxford Round Table to present a lecture, "Trade and Environmental Frictions in the Global Steel Industry," at Oxford University in England. For more than 40 years, Dr. Carbaugh has taught international economics, as well as managerial economics, money and banking, and both introductory and intermediate levels of microeconomics and macroeconomics.

The content is excellent. Format could be improved particularly so that all the reference to the figures was included together with the figures. It makes it difficult to flip back and forth between pages to interpret the graphs.

If your prof uses this for the class, good luck! This book is poorly written and is very confusing.

Great book! Exactly what I was looking for!

Excellent and full of information on the topic. Used it for a three winter class.

Excellent condition!!!

College rental great price

it was great book

My book was brought on time and was just like the description said.
