Corkey Hay DeSimone lives in the Washington DC area and has written and illustrated over 25 children's books including Cherry Blossom Friends. She has created educational kids content for groups like the Smithsonian, Sundance, World Wildlife Fund, Clinton Bush Haiti Fund and many more.

As part of our studies, he used this book to engage his memory about our trip. It has fun check-off areas as well as doodle areas to keep him interested instead of just journaling as with many books. Well written & child-like fun all around.
