Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I am new to the Trumpet, so I can't play this yet, but my husband is a brass player and says it looks great for beginner trumpet. The front is exactly as pictured and the selection of songs is wonderful! I was expecting the book to be really thick but it is not very thick at all. Instead of having only one song per page or couple of pages, it will put two songs on a page if they are short, which keeps the book from being thick. It is a great quality, definitely recommended!

A book that keeps on giving. The pages are nice on the kindle in that you can double tap them to have the music fill the screen. Easy to read and I don't have to lug a bookshelf around. The song selection covers many genres. Winnie the Pooh was a total surprise. Thank you!

I have twin boys 12 years old. one majors the trumpet and the other the saxophone .. But they switch off and practice the other while at home so they both find this book very fun and easy to play. It isn't the same things they play at class. Highly recommend it

Tons of Disney songs that you and your kids will know and enjoy. My wife likes playing them. My kids don't like it when my wife practices, but when she throws in some Disney they are ok with it.

Good for the beginner musician.

great book with awesome songs in it

great!

I ordered this for a birthday gift for a friend, and it came a day and a few hours earlier!! Upon receiving it, everything looked great!!
