Haunted Louisville 2: Beyond Downtown

Synopsis

In his first book on the hauntings of Louisville, Kentucky, Robert Parker, creator of the Louisville Ghost Walks, explored the ghosts and spirits of the city for the very first time. Now, in this chilling sequel, he takes readers into places where the bright lights of the downtown district cast long shadows. Travel along some of some of Kentucky's rural back roads and explore some of the quaint, bed and breakfast inns with resident ghost that just make keep you from enjoying a restful night. Dine at the restaurants where not all of the customers are of this world. Looking to be entertained? So are the ghosts! Let the author take you to a few ghostly venues where among the applause and laughter, the moans and cries of the dead might also be heard. This is another enthralling book, filled with accounts that have never appeared in print before from such spirited locations as John E's Restaurant, Doe Run Inn, Brown Hotel, Poet's House Bed and Breakfast, Louisville Gardens, Smyrna Inn, Dillon's Steakhouse, the Landmark Building, Jailhouse Pizza and many other places. It's another must-have title from the man who put Louisville on the map as one of America's most haunted cities!

Book Information

Customer Reviews

Having lived in Louisville for the majority of my life, I know of the spots talked about in this book. It is a great read.. I have heard some of these stories for years. First time, I have seen them in one collection. Have never taken a tour with Mr Parker, but think it would be a fun thing to do.

I bought this book as a afterthought but when I started reading it is very entertaining. The Author gives ghost walks in the Louisville area and tells antidotes about his experiences and others on the walks. He also gives some history about the buildings but not so much as to become boring. The stories are fairly short and easy to read. I intend to get his first book also.

Since I am a Louisville native and resident, I found this book quite interesting. I can't wait to read more of Robert's books.

I mainly got this book because it was highly recommended from a waverly hills website but had nothing to do with waverly hills so I was a lil disappointed.

As a fan of Louisville haunts myself, I find Mr. Parker's book to be an exciting and influential read. It is a great book to read any time of the year, but it's perfect around Halloween time. Robert Parker also hosts the Louisville Ghost Walks, which is a wonderful tour of some of Downtown Louisville's most historic spots.
