Photographs Of Larnaca, Cyprus : The Peaceful Beach Town With A War-strung Dark History (Best Of Europe Photography)

Synopsis

Larnaca, Cyprus is a beach town with an atmosphere that makes one want to chill back. It is also a city which has historically been a post for various wars and occupations by at least a few different conquering groups and occupying religious sects. The structures left behind stand now in tribute to this history, some open as museums which only hint at the tumultuous history. Disregarding the history though, the beauty of the natural beach setting and the now-calm buildings, gives Larnaca a laid back character when one is visiting. This collection of photos is, as always, meant to encourage the viewer to visit, explore, and investigate this amazing city! Hope you enjoy this book and your future travels!
