A Plato Reader: Eight Essential Dialogues (Hackett Classics)

Synopsis

A Plato Reader offers eight of Plato's best-known works--Euthyphro, Apology, Crito, Meno, Phaedo, Symposium, Phaedrus, and Republic--unabridged, expertly introduced and annotated, and in widely admired translations by C. D. C. Reeve, G. M. A. Grube, Alexander Nehamas, and Paul Woodruff. The collection features Socrates as its central character and a model of the examined life. Its range allows us to see him in action in very different settings and philosophical modes: from the elenctic Socrates of the Meno and the dialogues concerning his trial and death, to the erotic Socrates of the Symposium and Phaedrus, to the dialectician of the Republic. Of Reeve's translation of this final masterpiece, Lloyd P. Gerson writes, "Taking full advantage of S. R. Slings' new Greek text of the Republic, Reeve has given us a translation both accurate and limpid. Loving attention to detail and deep familiarity with Plato's thought are evident on every page. Reeve's brilliant decision to cast the dialogue into direct speech produces a compelling impression of immediacy unmatched by other English translations currently available."

Book Information

Series: Hackett Classics

Paperback: 592 pages

Publisher: Hackett Publishing Company, Inc.; UK ed. edition (September 15, 2012)

Language: English

ISBN-10: 1603848118

ISBN-13: 978-1603848114

Product Dimensions: 1.2 x 6 x 8.8 inches

Customer Reviews

"The translations are delightful - This book will be a boon to students, and will surely be appearing on university booklists." --Heythrop Journal

C. D. C. Reeve is Delta Kappa Epsilon Distinguished Professor of Philosophy, University of North Carolina, Chapel Hill.

Book arrived just as described and they included a couple extra study items due to an unforeseen shipping issue. #happy

Can't get any better than this

Ordered hard cover at full price, but it was not really a hard cover``disappointed with cover but the book wads fine

Very readable. Just what I was looking for.

great quality!

...these ones are accurate. Stonemason or not, Socrates by no means speak like an educated Victorian. And if you must read only 8 of his many classic works, this is good enough a selection.

I assigned this book for my class because in one volume it contains all the dialogues I wanted the students to read. When I started using it, however, I was very disappointed in the editing. First, it has notes, but they are not always in the places where students need them. Crucially, it is missing any sort of notes in the Apology to mark the three phases of the trial. It has a break in between the phases, but it also has identical breaks elsewhere. After reading this edition, my students had no idea that Socrates was not giving one long, uninterrupted speech. Second, the translation of the Republic in this book changes the whole dialogue from a report narrated by Socrates to performed speech with occasional descriptions of what the characters are doing. Some people will not care about this change, but I think it is a mistake to change the format of any text when there is no problem translating it into English without the change. It stops the reader from asking why Plato chose the format he did. Even if you disagree with my second complaint, however, I still do not recommend this book because of the first.

This is a book my daughter ordered for school. It was affordable.
