Great Escapes Italy

Synopsis

La bell'Italia Ã" per sempre: Legendary hotels full of atmosphere To travel through Italy is as close as one gets to being in paradise. For centuries, writers, artists, architects and merchants have been drawn here, inspired by the beauty of Venice, Florence, Naples and Rome. Countless books, paintings, poems and sculptures are evidence of its undying appeal, and over the past 60 years, the country has become one of the worldâ™s top travel and holiday destinations. The loveliness of Italyâ™its architecture, landscapes, culture and food (some of the worldâ™s finest!) â" if not eternal, is certainly enduring, and the easy-going and relaxed Italian lifestyle, il dolce far niente, is still unrivaled. Here, some of Italyâ™s most amazing landscapes are brought to life, like Lake Como (residence of George Clooney), Venice, Florence and Tuscany, the Amalfi Coast, and no less magical, the Aeolian Islands off the coast of Sicily. In these mythical surroundings are legendary hotels full of atmosphere, where novels are set, movies are made, weddings are celebrated and famous love stories consummated: Villa dâ™Este on Lake Como, the Hotel Splendido in Portofino, the Il San Pietro on the Amalfi Coast and the Villa Cimbrone in Ravelloâ"to name just a few. But in Great Escapes Italy, TASCHEN also reveals where to find more secret and hidden jewelsâ"from the Locanda Cipriani, a romantic hideaway on the island of Torcello, to the atmospheric Castello di Vicarello in Tuscany. Text in English, French, and German

My mother in law received this book for Christmas and I loved it so much that I asked for a copy for my birthday. It's a wonderful collection of Italian photos. enjoy!

Really nice book. Small coffee table size with great pictures. Just right for perusing Italy.

Beautiful photos and great details on all the wonderful and in interesting places to stay in Italy!

Bought this book as a gift. Nice pictures.

Not that I could afford to stay at many of these places... but this is a very nice, (very)well-made, colorful Taschen volume in their series of "world escapes". Also, some inspiring design details abound.

Beautiful an looks great on the coffee table! Love this book

It is a lovely book that reminds me of a wonderful recent trip to Italy.

Fast delivery, excellent package (100% waterproof, in fact I forgot it outside during a rainfall). The book is really a nice choice, beautiful pictures and wonderful places. Just some little imperfections at the corners of the book, but since it's not an in-shelf library buying, I couldn't be more satisfied.
