The Truth We Bury: A Novel

Synopsis

In this intense, multilayered domestic drama, two families become entangled in a web of lies, secrets, and betrayal that results in an act of violence so shocking their love may not survive. On the outside, Lily Isleyâ™s life seems perfect: a wealthy husband, a ritzy gated community in Dallas, and a handsome son, AJâ "a decorated marine about to be married to his love, Shea. But when a bridesmaid is murdered in AJâ™s apartment and he canâ™t be found, Lilyâ™s world collapses and a long-held family secret is at risk of exposure. Dru Gallagherâ™s life took a different course. After her ex-husband, suffering from post-traumatic stress, threatened her and her daughter, Shea, with a shotgun, Dru was forced to leave her marriage and forge ahead as a working-class single mom. Now, the anger she sees in war veteran AJâ™s eyes is heartbreakingly familiarâ "and makes Dru deeply afraid for her daughterâ™s safetyâ |especially after Sheaâ™s best friend and maid of honor is found dead. With a killer on the loose and time running out, Lily and Dru, two very different women, unite in a single goal: to save their precious children from scandal, even from death. But will the mothersâ™ protection be enough, or will the fateful secret they exposeâ "and the truth it revealsâ "destroy every hope of love?

Customer Reviews

A interesting book, murder mystery..love and family conflicts..it's well written and keeps you interested...keep up the good work Barbara Taylor Sissel.

If you're looking for a fine literary piece, this is not it. If you want something that you won't want to put down, this is your book. Great read for that long plane trip.

A very good book with different famlies involved in a tragefy and how it worked its self out and with a surprise ending

This book had a great plot with lots of twist and turns. I especially liked the way the author created a bond among the mothers and their suffering for their children.

first book I have read by Barbara and it was a good read unusual plot kept me guessing till last few chapters.

What happens when a mother must protect her child? And what if that primal need is taken away from her? Barbara Sissel weaves a tale of suspense and terror, of love and loyalty and in the end, a twist that questions everything! I truly enjoyed The Truth We Bury, another thriller I won't forget!

Great story line, kept me interested till the end. Narration was good.

Liked the first three novels better.
