Gail Herman has written several biographies, including *Who Was Jackie Robinson?*

These titles are always so popular in my classroom.

This is one of our favorite series! My 1st grader loved this book and we learned that Davy wasn't actually born on a mountain top in Tennessee.

My elementary aged boys LOVE the "Big Head Books" series. Easy to read and full of information on important historical figures.

We haven't completed reading the book yet. But, my Grandson and I have spent some quality time reading this book together.

This is a great book about Davy Crockett. It tell a lot about him from age of zero to age fifty. This is a great book about him.

Good and accurate- lots about his real life and marriagesÃfÂçÃ â ÑÃ Âthey could have focused a little more on the adventurer he really wasÃfÂçÃ â ÑÃ Âconsidering the audience.

Very informative. Used this book for my 4th graders book report. She actually loved reading it!
