Customer Reviews

I don't love practicing but this is a good book to help further your Viola Education and Skills. :-)

Just what the instructor requested.

Just what the Suzuki teacher wanted. Arrived promptly.

Very Pleased

Exactly what we needed. Shipped fast.

This book has a good selection of pieces....

Great product.

The only consistent way I feel an adult learner has to assess on what level he/she is working that others will also know and recognize. This country needs more of this standardized information.
