America's foremost crossword puzzle reference revised and expanded with thousands of new words, up-to-date factual references, including famous people and the latest geographical changes, bearing the trustworthy "New York Times name. Now presented in a handy mass market size, this edition contains the full text of the hardcover, so puzzle fans looking for that exclusive clue won't miss a thing. --This text refers to an out of print or unavailable edition of this title.

Tom Pulliam was a management consultant and later became a professional puzzle creator. Clare Grundman won many prizes in national puzzle contests and was a widely known composer for symphonic orchestras, Broadway musicals and television. --This text refers to an out of print or unavailable edition of this title.

Although you had described the size, I was still surprised at how small it was. I had bought it for my husband, and his hands are large. He had not used it until tonight, and he just started laughing. The

dictionary skips from "fire" on page 500 to "operetta" on page 885. From there, it goes through "pertaining" on page 948, then skips to "gift" on page 565. From that point, just flipping through the rest of the book, there do not seem to be any pages missing, BUT pages 885 through 948 are included again! I never did find pages 501 through 564.

Just s good as my old one. Expensive--more than the price printed on the dust cover--probably because the product is old and scarce.

As an old Crossword fanatic I had once used the NYT crossword dict. but that edition started to fall apart I went for this one. It is not at all up to par, very poor quality and not the long lists of names I need.

I ordered two of these (separate orders) and neither are the one pictured here nor with the same ISBN. It's ok, but not exactly as depicted here. Bulky small paperback. Third edition. Different version.

We're on our second N. Y. Times Dictionary. These paperbacks are wonderful for crossword help, but they can't be expected to last forever when they are used almost daily over the years.

Not as thorough or complete or as well-organized as later editions.

I couldn't do NY Times crossword puzzles without this; It's a great supplement to a dictionary, and I wore out my first copy. I don't know why it has not been updated or re-printed, but it should be. It's a constant companion, and I expect this one may wear out, too.

I purchased this dictionary as a gift for my husband a few years ago. He loves crossword puzzles and I thought he could use some help. After all this time the book is almost in shreds. So I surprised him with the latest version and he was so happy! He uses it all the time! I will purchase again when he needs a new dictionary. I would recommend this dictionary.
