Customer Reviews

Disappointing. I had thought it would be laminated. Ah, well.

This map was great as long as you were in downtown Amsterdam. We stayed in Zuid which is only a 15 minute tram ride away but we weren't on the map. We relied on the free map our hotel gave us and really didn't use this one.

Great guide! It would have been nice if it was zoomed out a bit more. I like the tips on the side and popular sites. No one included so others know. It looks like there's one included but there isn't.

Very handy and apparently sturdy. I would have preferred for it to be a bit bigger. Perhaps I need to visit the eye doc.

Love that it has street names and a public transit map!

Met all my expectations!
