How To Move To New Zealand In 31 Easy Steps

Synopsis

Have you always wanted to move to New Zealand? The land of Lord of the Rings, sheep, mountains, lakes, milk and honey. New Zealand has friendly people, excellent education, and universal healthcare. It's also a land of immigrants: people from all over the world migrate to make their home in New Zealand. Perhaps you are dreaming of making this delightful little country at the end of the South Pacific ocean your new home, too. But the process can be daunting. Have you looked at all the visa options, gotten overwhelmed and wondered if you should give up your dream? Don't. There's a simple path to residing in New Zealand and this book will show you the way. The author, her husband, and their two daughters moved to New Zealand in 2012 by sailing their home • a 38-foot sailboat • across the Pacific ocean. They carried their dream of New Zealand residency aboard their small ship. Once they arrived, they successfully navigated the work and residency visa process and are now permanent residents of New Zealand. She tells you exactly how they did it. In addition to describing the visa process, this book also presents the realities of settling in New Zealand. You'll learn how to:

- find a job
- choose a town to live
- settle in when you arrive
- get your kid(s) enrolled in school
- rent a home
- talk like a Kiwi
- enjoy New Zealand like a local

If you're thinking about moving to New Zealand, read this book first. And then go.

This book is a gem of information for anyone considering a move to New Zealand. I found it not only enjoyable to read but easy to navigate with a step-by-step approach and useful links. A big thank you to the author for what I know was hours and hours of research. I definitely recommend it!

Excellent and well written. A must have resource for anyone contemplating a move to NZ.

Super helpful read!

Very good synopsis of the steps involved to moving to New Zealand, but little incentive about why to do so. If you're looking for a book that will get you excited about moving to this beautiful country then I suggest you look elsewhere.

Awesome book. Very practical. Everything I needed to know.
