The Lamb And The Fuhrer

Synopsis

Dr. Ravi Zacharias makes his debut in the graphic novel genre with an imaginative portrayal of what could have transpired in Adolph Hitler's final moments. Waves of anxiety wash over the dictator as he realizes Russian troops are approaching. His reign is coming to an end. Hitler takes his own life and what happens upon his death is something he would not have foreseen. In a split-second he arrives in heaven for judgment. The warlord must face the queries of Christ and some questions from people he had known on earth—one of whom is Dietrich Bonhoeffer. Hitler's final moments are a reminder that human rulers will come and they will go, but our heavenly Father is everlasting. His reign will never end.

Customer Reviews

Wasn't sure if I would like or even understand this story but thought I would give it a try. I am glad that I did! Ravi Zacharias gives us an amazing look at what could have occurred between Jesus and Adolph Hitler in the afterlife. This is a very thought provoking story. I plan on sharing it with members of my family who are into learning about WW2 as this is an "out of the ordinary" book that you will not find under the WW2 books genre.

Wow. I have read this at least three times. Powerful imagery and words. This was a great match between Zacharias and Kingstone Comics. They need to make several more!

Great read.

The beginning is a little cheesy, but once you get to the conversation part, the book is well done.

I did however and as a regular novel and it was outstanding! Highly recommend because it makes you think about the pursuit of power and it's legitimate use. There are moral actions and they have consequences.

I was well written by Mr. Zacharias, but I guess I was expecting something a bit more insightful. I'll probably need to re-read it.

Recommend getting print version as the Kindle version is very small and hard to read. The reader displayed 2 pages at a time.

Great intellectual conversation and quotes from all parties. East short read with some deep stuff. Great illustrations and all. Highly recommended
