I was in Beauty school 14 yrs ago and I let my license go... I bought this book and passed w/ flying colors! This is all you need!

This book makes studying so much easier. The questions are multiple choice so you are constantly quizzing and therefore gaining confidence. 4/5 stars simply because a few answers were wrong.

I really enjoyed this item. It arrived quickly and in great condition. I was able to review each chapter and prepare for my 1200 hour test as well as my state board test in a breeze. This is a book of tests,

and does not contain any reading material or practical exam assistance. There are tests for each of the chapters in the matching Milady Textbook. It was nice to test myself on the chapters and then review only what I got wrong before I took my big exams. I recommend this book to any cosmetology student. It is a bit pricey, but if you are enrolled in school, you can write it off on your taxes. Keep your receipt!

This exam review is excellent. It's a great companion guide to have for anyone whose getting ready to take State Board exams for Cosmetology. Its helped me as a refresher course for retesting for the license I let lapse. Oops! I would recommend this for new graduates or anyone who wants to stay current on the basics of Cosmetology. Great to have in your personal library.

Exactly what I needed in order to retake the cosmetology exam in Pennsylvania after being licensed in Virginia.

This book was just what I needed.

Better than expected

This gift was to a friend to help her study and be prepared to take the licensed exam. She loves it.
