National Geographic Traveler: Colombia, 2nd Edition

Synopsis

From the storied capital of Bogotá to Medellín to the Basin, this guide to Colombia, South America, offers readers practical advice on planning your trip and explains the country in the context of its history, culture, cuisine, landscape, and flora and fauna. Acclaimed travel writer Christopher Baker explores the Eastern Highlands, the Caribbean Lowlands, the Western and Southern Highlands, the Pacific & San Andrés, and Los Llanos & the Basin. Contemporary editorial features and experiential sidebars highlight every aspect of life and every activity under the Colombian sun: how emeralds are mined and marketed, the history of pirates off Colombia's shores, parrots and macaws, volcanoes, whale watching, and poison dart frogs. Gorgeous National Geographic photography and useful maps help you navigate your way around Colombia and its many landscapes: Take a walk through Bogotá's historic Candelaria district, take a drive through coffee country, follow in the footsteps of Gabriel García Márquez, or enjoy a drive around San Andrés.

Book Information

Series: National Geographic Traveler

Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #355,875 in Books (See Top 100 in Books) #22 in Books > Travel > South America > Colombia #145 in Books > Travel > South America > General #389 in Books > Travel > United States > South > South Atlantic

Customer Reviews

After studying geography at the University of London and Latin American studies at the University of Liverpool, CHRISTOPHER P. BAKER settled in California and established a career as a travel writer, photographer, and lecturer. He has authored and photographed the National Geographic Traveler guidebooks to Colombia, Costa Rica, Cuba, Dominican Republic, and Panama. His more than 20 other books include *Mi Moto Fidel: Motorcycling Through Castro's Cuba* (National

Geographic), Cuba Classics: A Celebration of Vintage American Automobiles and Enchanting Costa Rica. Bakerâthe Lowell Thomas Award 2008 Travel Journalist of the Yearâhas written for more than 200 international publications, including CNN Travel, National Geographic Traveler, and Robb Report. He has spoken at the National Geographic Society (televised live from National Geographic); has been profiled in USA Today; and has appeared on ABC, CBS, CNN, NBC, NPR and Fox TV, among other radio and TV outlets. He escorts National Geographic Expeditions tours and photo expeditions to Costa Rica, Panama, Colombia, and Cuba.

I checked out the first edition (2011) from my local public library and thought it was OK. The second edition, being 6 years later, ought to have a bit new material or at least updates... Not so. Actually if you look at the table of contents of both books, they're not only 100% the same, but every subject coincides with the same exact page number in the two editions. There are a few updates, as in total population of the country and the CV of the author but almost nothing regarding new destinations, new restaurants or hotels. Not even the fact that there was a peace treaty with the guerrillas is mentioned and the same cautionary tale about not venturing off the beaten path due to the guerrillas kidnapping risk shows up unchanged. So if you can get the 1st edition used, you can save some money.

Appealing presented, with lots of pertinent information at the same time.
