Customer Reviews

Very good commentary on the Psalms. I am using it daily.

;)

excellent

Mays writes lucidly, humbly, and helpfully. His scholarship is evident, as is his desire to see the Psalms continue as a useful tool for the Church's prayer and worship. Good stuff.

Excellent commentary organized with the teacher in mind. The text is thorough, accessible, and edifying.

Great

Like it!

I previously owned a copy of this commentary, that I had purchased while in seminary. I gave that copy away when I believed that I was retiring from active ministry. When it turned out that I returned to active parish ministry and would be doing active teaching, I realized that I needed a replacement, so I bought this one, as a "tested and true" product. It has lived up to my expectations and I have used it several times since it arrived.
