# Above The Salt (Salted Series Book 3)

## **Synopsis**

Sydney Gao has a secret – she's a mermaid. Unfortunately, her mother forbade her from telling anyone and kept Sydney land-locked in the Midwest all her life. After learning Selkie slavers kidnapped her best friend Garrett Weaver, Sydney ran away in hopes of rescuing him. Succeeding, she thought all her dreams of finding others like her to swim with had finally come true. But Garrett is different now. No longer the goofy, fun-loving guy she remembered, he's more concerned about his Selkie friends than Sydney. Worse, her mother is also mad at Sydney for putting herself in danger and not thinking about the consequences of her actions. Sydney can't understand any of it. All she's ever wanted is to finally see and explore the Salt capital city of New Pearlaya and to share her secret with someone. What Sydney doesn't know is that the Salt is far from the place where dreams come true – and she isn't the only one who's been keeping secrets.

## **Customer Reviews**

Above the Salt (Salted book #3) By Aaron Galvin Sydney is a Mermaid, a secret she kept her whole

life. She just wants to be accepted and find others who are like her. Garrett is her best friend and went through a rough ordeal. reunited with him, she hopes to have a good life. Be he seems to have changed, he is not the same fun guy as he was. Add to it, her Mother is angry with her, and the Salt is not all it seems to be (to her). Soon secrets are about to be revealed, and things will change for Sydney. An original (Mermaid) tale that moves at a steady pace, with an original plot. I liked Sydney, she has decisions to make, and comes to terms with her life. Also there secrets are revealed, which adds to the intensity of the story. I really enjoyed this installment of the Salt series, I was hooked from the first page. I highly recommend Above The Salt to those who love a great (fantasy) story.\*This book was a gift

Another hit that picks up where the last book left off. In this book we learn even more about the characters and the story remains fast moving and engaging. Aaron has built a world and populated it with characters that have kept me fully engrossed throughout each book. I highly recommend this series of books, each book has left me wanting more!

Another great read! I love how the books pick right up where the last ended. More back story info on the characters really helps you understand the story. Great detail of the settings. This was a book that I could not recommend. Definitely left me wanting more!

This series keeps getting better and better. This is the best book by far and I can't wait for the next one! This book keeps you on your toes the whole time. I couldn't put it down. I read the entire series in less than 4 days.
