Customer Reviews

I absolutely love this air fryer. It makes cooking so much easier. The clean up is so easy and the food is moist and tender. Hate I waited so long to buy one. I have nothing negative to say. Food

cooks evenly. I found some sale ladies promoting it and i purchased it immediately. The problem came when i reach home and did not know the right food to cook in it. I want to thank the writer for this wonderful book that has given me so many recipes that i will be making every day. It is a great addition to the fryer purchase. 150 recipes for breakfast, lunch, and dinner on your menu. Low carb, vegetarian. Interesting dessert section. There is also a calorie table for the different type of meats. If you fry you need this book.

This is a decent air fryer recipe book. All formulas comprise of basic fixings. I preferred, there are many pictures for each dish in this book, and I can see last outcome. I cherish cooking with air fryer, it's my most loved gadget in the kitchen. With the assistance of this book and air fryer, basically everything is currently conceivable.

This is very good book study about the Air fryer Cookbook. This is very helpful guide book for Cooking. Its very informative book for everyone. This one differs because most of the ingredients are very easy to get from our nearest market. It helps me discover a delicious recipes like roasted vegetable pasta salad, baked garlic parmesan potato wedges and much, much more. I highly recommended this book to everyone.

This is a quick answer to all of our busy days in the kitchen, now we can save more of our time doing things that is more important than cooking all day for just a single recipe to eat. A way to be simple and quick with a good food to eat.

I have Air Fryer and I really like to prepare food in it. This book contains great recipes to help you maximize the use of your Air Fryer. I enjoy preparing meals from this book! Sincere recommendation!

Don't buy this as a serious cookbook. The recipes are the funniest things I have read in years. There is absolutely NO WAY you can cook from this "cookbook".

Air Fryer Cookbook by Darlene Chambers, is a practical recipes book, in order to prepare delicious meals in no time.

The recipes are great. Just hoping for a picture or two.
