Our kids love all the Marley books. This is just as cute as all the other ones. Our children read this at

the ages of 5 & 6. Could be for any age really but our two really loved it!

Great book

Daughter loved it. It was in perfect shape.

The kids really enjoy reading about Marley

My 3 1/2 year old loves these books!

I purchased five books for my Granddaughter for Christmas. They were all at her reading level and were fun stories. She loved reading them.

The 2 boys that received these books really like them - having a dog in it is a major plus! They both love reading this on their own!

My 7 year old son loves the Marley series. His friends now ask to borrow our books. Great reading for young boys, especially if they are dog lovers.
