Great book, this is a must read for those seeking the truth on how the christian church came to be as it is today. You will also learn how we once had healing and miracles like what you read about in the bible and how it came to be that we lost it. God didn't change, we did. I have started living a life more to the way God intended for me to live and I can already see that my life is changing with favor for me. God is good all the time.

The embarrassing powerlessness in the church today has been a vexation to me. The power of the believers in the first century was awe inspiring, and that power continued for three centuries, then died. Heidler explains precisely where the church veered off the straight and narrow, and what it must do today to return to its roots.

Describes the first church in operation and how Christians have abandoned much of the richness that was present without any attempt at converting between Christianity and Judaism. Reveals the significant amount of paganism that was introduced in the fourth century that was and is accepted as doctrine. I believe this is a must read for everyone who is a Bible teacher or student and is hungry to move beyond the broth and milk that is typically available at Christian bookstores. I think I have purchased over ten of these, and either given them to pastors and Bible study teachers (predominantly), or loaned them out only to have them never return. Highly recommend. Heidler also wrote "Experiencing the Holy Spirit" that is another great resource.

Messianic Church Arising is one of the Best Books that I have ever read. Dr. Robert Heidler truly has the Gift of Teaching and information flows directly off the pages of this book into one's heart. I'm excited to continue this learning adventure and I'm so happy that Dr. Robert Heidler continues to write amazing books and teach along the way. Please read Messianic Church Arising and allow the Lord to impart to you what His plan was from the foundation of creation for His Church.

This book have changed me spiritually, my eyes are opened, I have come to learn the church history and now I understand why the now church is not powerful as compared to early church. I

highly recommend this book to every serious Christian who would like to function like Jesus. Christian should stop celebrating Easter and start celebrating resurrection of Jesus. Christian should celebrate the birth of Jesus everyday and not December 25. We need to come out of the world.

What an enjoyable read ... sets quite a couple of the arguments about Jew & gentile straight ... according to what GOD SAYS IN THE BIBLE! Misconceptions are cancelled out through Dr. Heidlers' excellent writing!! Thank you!!

The foregoing reviews are spot on. The only thing I would add is the fact that Heidler takes more time, provided greater detail, in how the "church" transitioned from a Hebraic (Jewish) mindset to a Hellenized (Greek) mindset. To paraphrase, the Greek mindset wishes to study YHWH in order to understand Him; the Hebrew (Jewish) mindset wishes to know YHWH so they can better know how to PLEASE Him, WORSHIP Him.

Now I not only know the reasons why we should celebrate the Jewish feasts, but also am motivated to desire more of God's presence. I FELT GODS PRESENCE as I was reading and cried several times. GREAT BOOK!!!!
