Philippians: Jesus Our Joy (Lifeguide Bible Studies)

Synopsis

It's easy to be happy when things go well for you. But what would it be like to have a sense of joy that continued even in times of trouble? Such was the deep joy that the apostle Paul experienced--even in prison. His contentment was neither dependent on circumstances nor changed by difficulty. In his brief letter to the Philippians, Paul will show you too how to live joyfully in every situation.

Excellent bible study ! Stimulating and provokes change spirituality . Great format. Highly recommended.

We are thankful for this book! It is a wonderful Bible study book that helps you read the Bible and find your own conclusions!!! They direct you by asking you questions!!!

Used for class study and was purchased as replacement for student to help.

Great study with some very thought provoking personal applications.

Used this for a women's Bible study. Good questions and just the right amount.

This study guide is a great start to the book of Philippians but lacks depth. Most of the sections have a short dialogue followed by a list of questions. While the questions are good at starting a conversation there is not much interpretation or background info. I would have liked a little more prompting and detail to lay the groundwork for a conversation.

Yes, I was very pleased with the condition of the book being it was used.

Great
