Moana: The Mighty Maui Makes A Friend

Synopsis

As a demigod, Maui has done a lot to help humanity. He slowed the sun to make the days longer and used his magical fishhook to pull up new islands. He battled monsters and even helped create coconuts. But there's one thing Maui has never done: be somebody's friend. Follow Maui on his journey to become the best friend ever--with some help from the brave voyager named Moana, that is.

Customer Reviews

This is a really funny, charming, very Maui-esque story with such a sweet ending. The illustrations are beautiful and the tone really matches the Maui character from the movie. Maui and Moana's friendship was so important in the film, and this does a great job of showing the flip side from Maui's perspective. I can't wait to read it with my five-year-old!

This was a very fun, sweet read. I love all of Disney's hardcover dustjacket books! This fits perfectly into the collection!

a great book that gives a new perspective to the well known story. Great for both little boys and girls

and teaches that we all need somebody sometimes.
