Customer Reviews

William Wynn Westcott (1848-1925) was an English Rosicrucian and Theosophist, Magus of the Societas Rosicruciana in Anglia, and founder of the Hermetic Order of the Golden Dawn. Westcott was a prolific writer on occult subjects, including numerous articles in theosophical periodicals, Rosicrucian pamphlets, and several books, including his 10 volume Collectanea Hermetica.

Wonderful that there is a well-formatted single volume edition of Westcott's classic compilation. This is by far the best and most affordable edition available. It's good that both "Numbers" and the "Sepher Yetzira" are also included (they're not included in some volumes).
