# Ukraine, 4th Edition

## Synopsis

Ukraine is the largest country in Europe. Evolving rapidly, the country offers visitors an unrivalled combination of old and new. Updated throughout, Ukraine highlights towns and villages well off the beaten track, and goes into greater depth than its competitors, with more detail on the history, culture and sights, and more entertaining reviews of hotels and restaurants. The practical information highlights how to get there by bus, rail and boat. The culture section features new writers of independent Ukraine and the history section has been updated to cover all the events that followed Yanukovych's election in 2010.Â

Best Sellers Rank: #758,303 in Books (See Top 100 in Books) #24 inÂ Books > Travel > Europe > Belarus & Ukraine > General #1134 inÂ Books > Travel > Europe > General

## Customer Reviews

'The small publisher whose engaging, well-written and highly detailed guides to exotic places continue to set a benchmark for quality.' â " WanderlustÂ 'A comprehensive guide to the country.' â " TNT Magazine

Andrew Evans first arrived in the Ukraine in 1994, and worked there for two years. His love for such a rapidly changing country kept him returning wearing many different hats â " as a NATO analyst, a graduate student, political consultant, and finally as the author of Ukraine. Andrew now works as a freelance travel writer. He is also a regularly featured speaker on travel destinations at the Smithsonian Institution and has appeared on the Travel Channel. He is also the author of Iceland for which he won the 2008 Lowell Thomas Award. Â Massimiliano Di Pasquale first travelled to the Ukraine in 2004 and has been back to explore the country many times since. Photographer, writer and journalist, Massimiliano writes regularly about Ukrainian culture and politics for many Italian

magazines and newspapers. In 2007 he interviewed President Viktor Yushchenko for Italian geopolitical magazine east. In 2010 he published the photographic book *In Ucraina. Immagini per un diario* (In the Ukraine. Pictures for a diary), and in May 2012 the travel book *Ucraina terra di confine. Viaggi nell'Europa sconosciuta* (Ukraine Borderland. Trips in unknown Europe). He has been a member of AISU (Italian Society of Ukrainian Studies) since 2008.Â Â Â

Visited the Ukraine in November 2014 and bought this book a week before I left on my trip. It was very useful and I hope to use it again when I return. There is not much out there on Ukraine tourism but there should be. This author writes in a very comprehensive and interesting way. You don't feel you're reading a guidebook from 20 different contributing authors. The book feels like it was written by someone who knows the country and has enjoyed visiting. The book also feels like the author wants you to enjoy it as much as he does.

The only travel book on the Ukraine is the Bradt. They aren't my favorites but I replaced a 3rd edition with it. Some glaring errors like a town described as 70 km W of Lviv is actually 70 km East. Oh well.

This is relatively thorough guide, but it could use a few more visuals and photos. Some of the sections are a bit out of date and could use some updating to include newer hotels, restaurants, etc., but overall, the guide is thoughtfully done and includes important information about the history of Ukraine.

I recently returned from a trip to Chernobyl, Kiev and Lviv. I loved this book. Really helpful historical material.

I found this book on Ukraine very interesting. For a more contemporary fictionalized view I also enjoyed the new spy novel "Death of a Spymaster" that is set in Kiev at the beginning of the current conflict with Russia.
