Bob and Larry are detectives. Larry carries around a stuffed badger to help him remain courageous. They have to teach a new group called the Pod Squad to be great detectives. Their first case they

get a tip on the Masked Door Slammer. There are too many of them to fit in the detective's car so they take the Pod Squad van that breaks down. This causes them to miss the Masked Door Slammer. The peas rolled down the hill and this causes Larry and Bob to use hateful words towards them. They suddenly find themselves investigating another case. They think they have caught the culprit only to discover things aren't what they thought. As they learn the truth they also learn how hurtful words can be if they aren't used for good. Great lessons in this book.

My son loves Veggie Tales and I love the fact that they are a wholesome tale with good morals. I will continue to purchase these until he longer wants them.

This is a cute story about being kind and using nice words. However it is missing some words. Veggie tales are cute

These books are amazing in that it encourages kids to read and it teaches them Biblically. We have almost all the Veggie tales which my sons watch regularly. I bought two books for my son today and he has finished reading them both. He came and asked me for the Nexus to read the book and he completed reading both. This improves his reading skills. Please buy this as it will give your children good grounding and also enhance their reading skills.

Veggies are great teachers

My son loves Veggie Tales so I got this for my Kindle to keep him occupied during dr appts and such. He seems to like it pretty well, but its a little too wordy. More pictures would be perfect.

Excellent book and easy for child to read. We always like the appropriate Bible verse at the end of the Veggie Tales books.

My granddaughter & friends love this book. Great lesson taught through great story. Would recommend for storytelling and for early readers
