Wonder Woman At Super Hero High (DC Super Hero Girls)

Synopsis

Get your cape on with the DC Super Hero Girls! The unprecedented new Super Hero universe especially for girls! Readers of all ages can fly high with the all-new adventures of Wonder Woman, Supergirl, Batgirl, and some of the world's most iconic female super heroes as high schoolers! Wonder Woman isn't like most high school students but Super Hero High isn't like most high schools! Wonder Woman is a Warrior and Princess. She has never left her home on Paradise Island. But she wants to be a super hero the very best super hero she can be. In order to train at the most elite school in the galaxy, she has to juggle acing her classes, forging new friendships, trying to make the team for the Super Hero Super Triathlon, and her insane suite-mate sharing her every embarrassing moment on social media. Not to mention . . . Wonder Woman has never seen a boy before. High school is going to be harder than she thought. Award-winning author Lisa Yee brings this edge-of-your-seat adventure to life with mystery, thrills, and laughs. Move over Batman and Superman the DC Super Hero Girls are ready to save the day and have fun doing it! Praise for DC Super Hero Girls: "Sure to have wide appeal, this book is a solid option to balance collections saturated with male superheroes. School Library Journal "If you have a middle grader in your life looking for super-sized action, or a superhero enthusiast who isn't sure where to turn to get more of the superheroes they might see on TV or in movies Or if you just want to dive into a good book that shows young readers especially young female readers that girls can be the super heroes of their own stories, look no further: Super Hero High is for you." - Kirkus

Grade Level: 3 - 7

Customer Reviews

Gr 4 •Following in the footsteps of "Monster High" and "Ever After High," this first installment in the series is paired with TV specials, online content, and merchandise, including action figures. Teenage Wonder Woman leaves Paradise Island to attend Super Hero High, one of the top schools for budding young superheroes, in Metropolis. She makes new friends, including Bumblebee and Hawkgirl; develops her first crush; and works toward excellence in classes such as Weaponomics and Flyers' Ed. But not everything is smooth going at Super Hero High. Wonder Woman's most embarrassing moments are being shared with the world through videos captured by her roommate, Harley Quinn. Even worse, someone is leaving mean notes for Wonder Woman to get her to leave school. While this story is filled with superheroes, it will appeal more to fans of lighthearted school drama stories than those looking for action. The humor sometimes falls flat, and savvy readers will uncover the mystery bully long before the reveal, but with its fast pace, chapters that end on cliff-hangers, and high-interest characters, this is a good choice for reluctant readers or those looking for a fun, quick read. Readers familiar with superhero characters will enjoy seeing some recognizable names, but the story remains accessible for those new to DC's superhero universe. VERDICT Sure to have wide appeal, this book is a solid option to balance collections saturated with male superheroes. •Jenna Friebe, Deerfield Public Library, IL

Lisa Yee's debut novel, *Millicent Min, Girl Genius*, won the prestigious Sid Fleischman Humor Award. Her other novels for young people, with nearly two million copies in print, include *Stanford Wong Flunks Big-Time*, *So Totally Emily Ebers*, *Absolutely Maybe*, and two books about a fourth grader, *Bobby vs. Girls (Accidentally)* and *Bobby the Brave (Sometimes)*. Lisa is also the author of *American Girl: Kanani* books and *Good Luck, Ivy*. Her recent novel, *Warp Speed*, is about a Star Trek geek who gets beat up every day at school. Lisa is a former Thurber House Children's Writer-in-Residence whose books have been chosen as an NPR Best Summer

Read, aÃ Â Sports IllustratedÃ Â Kids Hot Summer Read, and aÃ Â USA

Bought this for my granddaughter. She is eight and having lots of fun reading this story. We are both DC comics fans and this story is perfect. Not everything has to be filled with pictures. Fantastic. Looking forward to the other stories coming out.

I really enjoyed the book! It's funny and very well written. I love how the characters are written and the references they make to other people and comics. A very good read!

My 10 year old daughter just loves DC Comic Superhero Girls and she loves to read, These chapter books are right up her alley. Have the one for Katana

pre-ordered!https://smile..com/gp/product/1101940689/ref=oh_aui_detailpage_o00_s00?ie=UTF8&psc=1

As a comic fan, I've been building a library for children with super heroes from picture books on up--and trying to find decent female centered ones is hard! I came across this, went through all the reviews, and being a Wonder Woman fan just had to try it. And I loved it. This is a well written girls' book--the author doesn't hit us with political or social agendas, just lets girls stays focused on what they should be focused on--finding their own selves and becoming the best people they can be. There are plenty of nods to the comic books, but this series is set as if it were a real school for heroes. Think Sky High or Professor X's school for the talented and gifted. I loved the way Diana is portrayed here--she is innocent and intelligent, compassionate and courageous, hungry to find her own place and anxious that she will mess up--very easy for girls to relate to. The plot was steady and had several twists, which made for a fun read. The characters felt like girls I went to school with--minus the super powers, of course--and Diana's struggle to make friends and navigate through school is exactly what every girl faces. As an adult, I loved it and will definitely pick up the rest of the series as it becomes available (Supergirl is next!)--and I would recommend any girl to this series, too. It's refreshing to have a new girls' series that SHOWS 'girl power' without the contrived adult garbage--and just shows girls choosing themselves to do what their hearts tell them is right.

Got this for my niece. She was interested in superheros and loves reading chapter books. She was

very excited to read it and tell everyone about it.

Terrific for girls, but great for us Wonder Woman fans of any age. Bits of humor on almost every page--quite unlike most of the comics and movies nowadays.

Aweomse book. My daughter loves them all.

My 10 year old daughter LOVED this book and couldn't put it down - or couldn't wait til the next time she had time to continue reading it.
