Cynthia Van Edwards Born in Oklahoma, with fierce Comanche blood in her veins, Cynthia Van Edwards spent hours and hours as a young girl riding horses and drawing. She found herself guiding towards arts programs and psychology in college, attending Northwestern University, where she graduated with honors. She began a career that started in counseling for children that were having learning issues in school. She eventually began working with adults who were suffering attention deficit issues and began thinking of ways to inspire people through artwork.

This is Cynthia Van Edwards 10th book in her #series. Beautiful pages to color. It is a mature word coloring book. Like always beautiful work by a beautiful artist!! I am on Cynthia's Facebook coloring team so I received a few free pages before book was released. I highly recommend this book.

Love it!Best of all the #books a new sweary book with beautiful designs

Another great book by Cynthia. If you like swear words mixed in with your pictures this book is the book for you. This book is filled with cute designs and full of swears.I have had the pleasure of being on Cynthias coloring team and have received advanced pages/books for my coloring and honest review.

Cynthia has hit it out of the park once again with her latest #10 in the # series #FCUK! I have been lucky enough to have an easy sneek peek at this one and the artwork is great as usual :) I can't wait to get my hands on a physical copy if the book.

This book being number 10 in MS. Van Edwards # Series, I think she hit it out of the park. Ms. Van Edwards is BACK.
