Customer Reviews

The score I received was a hardcover that used to be a library book. The photo in the add shows a more modern, soft cover score which is what I wanted. The score I got is old and pages are yellowing and fragile. If I had known this, I would not have purchase the score.

I needed this score to work on my part for the Chorus in the opera. Our chorus master has a different more complete score and made several corrections to this one on the chorus part. It is a nice Ricordi quality binding and is easy to work with. The cover differs from the one listed here - it is actually a drawing of a guy in armor on the left (like here [...])

A gorgeous edition, as are most Ricordi scores. Italian-only, with space enough for your translation and IPA. Will continue to use Ricordi editions for all operas by Italian composers!

The book is in great shape. I enjoyed that the translation is also included even though it is not a perfect translation. I also am happy that it came in a few days early.

This is a paper back copy. I would recommend getting it spiral bound once purchased. Such a great

opera! Enjoy it!

Very nice cover, i like the size of the notes and the text, i like the quality of the paper
