Indestructibles: Love You, Baby

Synopsis

Hug, kiss, nuzzle, snuggle, bounce, rock: There are so many ways to show your love to baby! Share the love on each spread with simple text prompts and adorable illustrations of baby animals and their families, from cats to bears to bunnies. With over two million copies in print, Indestructibles are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it—gumming, spilling, dragging across the floor—Indestructibles are the little books that could. They're indestructible. And if they get dirty, just throw them in the dishwasher.

Stephan Lomp has been writing and illustrating books with publishers in Germany, the UK, France, Spain, and the United States since 1996.  He lives with his  family  in Düsseldorf, Germany.  Amy Pixton, a mother of triplets, created Indestructibles after bits of traditional board books found their way into her babies' mouths.  Amy lives in Kansas City with her husband and their three children.

This is a cute, short story, the perfect length for my 6 month old. We have several of these indestructible books and they really are indestructible! My son loves to "manhandle" the pages and

chew on these books. I can wash them up and they stay looking good!

Very cute book. We love indestructibles. This one has cute illustrations and lists the ways to love a baby, ex: snuggle, hug etc.

I love these books. They are uncomplicated and the most baby friendly books ever. I love that they aren't filled with unnecessary words. This will encourage so much interaction between parent and child. LOVE LOVE LOVE!

So cute!
