Customer Reviews

This handy little book provides a perfect introduction to the island of Barbados. There are a couple of maps, and plenty of lists of attractions and restaurants by region. The contents are well organized. The book itself is small enough to tuck away into a day pack, making it a nice take-along without weight or bulk.

The listed price is \$4800.....!!!!!! so I DID NOT ORDER IT..... i don't know how else to point this out.
