Excellent resource

Made making reservations and planning our trip very easy. Top 10 Eyewitness guides really help making decisions on places to research and explore.

Good travel size with many handy hints

as always, I love these travel books. If you don't know anything about a location you plan to visit, this is a great place to start.

Great little pocket guide, includes maps

This is a nice little take along book. Quite small but packed with helpful information about all of the Lake District including a pull out map. It will go on my trip in a couple of weeks, and will take up very little space in my bag!

This booklet was very helpful in planning our recent trip to the Lake District of Great Britain. What a wonderful trip to this beautiful area!
